Dear Ms. Bessey,

The renewal application for a nonpublic school submitted by Monarch School of New England meets the requirements set forth in the New Hampshire Code of Administrative Rules, Ed 400 and relevant statutes. By action of the State Board of Education at their May 12, 2022 meeting, your school is hereby approved for:

Attendance Approval (AA)
Expiration: June 30, 2025
Grades: K - 12

Monarch School of New England is approved to operate at the following location(s): 15 Eastern Ave. Rochester, New Hampshire (Elem/Middle) and 13 Monarch Way Rochester, New Hampshire (High School).

Pursuant to Ed 401.02, Monarch School of New England has received approval for the purpose of satisfying New Hampshire's compulsory attendance law only and not its educational program. The school may neither claim nor imply that its educational program has received the approval of the State Board of Education.

The school further understands its obligation to communicate the aforementioned approval type to its community, including prospective and actual parents.

Pursuant to Ed 403.03, the State Board of Education reminds all schools to submit all required data collections and reports by the established deadlines. These include: the General Statistics of Nonpublic Schools, due June 30th of each year, the Nonpublic Restraint and Seclusion Collection, due June 30th of each year, the General Fall Report of Nonpublic Schools, due October 15th of each year, and the School Emergency Operation Plan, due September 1st of each year. The collections can be access via <https://my.doe.nh.gov/myNHDOE/Login/Login.aspx>.

Pursuant to Ed 403.02 or Ed 404.05, as applicable, please remember to seek approval from our office regarding any changes in facility or grade level, or other information previously submitted. Please be advised that requests for change must be approved by our office or the State Board of Education, as applicable, prior to the implementation of the change.
